

Welcome 2nd Semester

Welcome Back /or Welcome to the 2nd half of our dance season.

We really appreciate everyone respecting our dress code and new rules about food and drink in the studio. This has made such a difference, thank you!

Winter Dress Code (add on's) - A form fitting long sleeve top is acceptable for class. Students may wear the top over their leotard or alone with leggings. Students will be allowed to wear a form fitting jacket or sweatshirt during the warm up part of class only. They will be asked to remove the jacket or sweatshirt for the majority of the class.

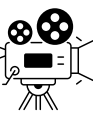

Attendance - Review the 5 absence rule laid out in the first newsletter as we will be learning recital routines.

Please watch your email - as recital approaches, we will be sending out emails to the parents with important information. Please be sure that we have an email address that you check on a regular basis.

Remember - all newsletters/schedules and additional information will be posted for your convenience on our website.
